

MHS Smoke Signals

Summer 2017
Vol. XI

Thank You Mrs. Jouglard!

It is with much gratitude and appreciation that we say "Happy Retirement" to Mrs. Sandra Jouglard. Affectionately known as Mrs. J by her students and colleagues, Sandy has dedicated 34 years to the education profession and has been the principal at MHS since the 2008-2009 school year. She will be hanging up her school ID this summer but will most certainly be staying busy spending more time with her family, gardening, reading and exercising. We wish her nothing but the best and many happy, healthy years of retirement. Congratulations, Mrs. J, you will be missed!

From the Desk of Sandra Jouglard:

Families, Parents, and Students:
I am retiring at the end of June 2017 after 34 years in education. I wanted to thank everyone for allowing me to serve and work with your students during the past nine years as Mascoutah High School Building Principal. I wish each of you the best and hope to see you in the future!

Mr. Brandon Woodrome, Principal
Mr. Jeff Junker, Asst. Principal
Mrs. Amy Wysocki, Asst. Principal

School Physicals

A school physical, including proof of immunizations, is required for all students entering Pre-Kindergarten, Kindergarten, 6th and 9th grades. **Students in grades 6 and 12 must show proof of immunization against meningococcal disease.**

Previously enrolled students entering

Pre-Kindergarten, Kindergarten, 6th, 9th and 12th grades must meet the above requirements **on the first day of school**. This includes any students new to the district that enrolled for the 2017-2018 school year prior to June 1, 2017. **Failure to provide a school physical with proof of immunizations will result in exclusion from school until the appropriate health records are provided.**

Parents are encouraged to contact their child's physician to schedule an appointment as soon as possible to assure that school physicals and immunizations are completed prior to the start of the 2017-18 school year.

Asthma: Beginning with the 2017-2018 school year: The State of Illinois Public Act 099-0843 requires schools to request parents of students with asthma to provide an Asthma Action Plan from the student's healthcare provider. This action plan will be kept on file with the school nurse. This action plan needs to be submitted at the start of each school year.

A Note From Your School Registrar:

Moving: Please contact Mrs. Best, our registrar, if you are planning to move this summer. This will allow us time to prepare a copy of your students records for you to hand carry to your next destination.

Transcripts: Transcripts are now electronic! All Seniors have been given instructions on how to use Parchment to request their transcripts for college. Alumni may also request their transcripts to be sent through Parchment. If a college only accepts transcripts by mail, the student may still utilize Parchment to request the transcript and we will send it via USPS. When requesting a transcript, please allow **5 days for processing**. ***Please Note:** *Students with Dual Credit through SLU or SWIC need to request transcripts from SWIC or SLU and have it sent to your next institution. For SWIC, contact enrollment services. For SLU, log into your myslu account, click tools, banner self service, student, student records, and request a transcript.*

New Student Registration:

Registration appointments for new students can be made by calling the Counseling Office. **All school counselors will be out of the office from June 8th-July 7th**, but appointments can be made for July beginning the week of the 10th. Please call the Counseling Office at (618) 566-8523 and from the options menu select #2.

Schedule Changes:

Schedule changes can still be made for the 2017-2018 school year. Students have **up to five days** after fee payment/schedule pick-up in July to make changes. A "Request for Schedule Change" form must be filled out and signed by a parent/guardian in order to honor the change.

AP Testing:

AP test scores will be available online on **July 6th**. Please refer to your Student Pack regarding how to access your scores.

2017-18 Seniors:

Are you looking for someone to take your senior pictures? Are you hoping not to spend a fortune? Meghan Bibb is looking to build her portfolio and wants to take your senior pictures! Please feel free to contact her at mpbibb@gmail.com or (618) 979-0493. You can also check out her work on Instagram [@meghanb.photography](https://www.instagram.com/meghanb.photography).

Incoming Freshman:

Freshman Preview Day will be held on **Thursday, August 10th from 7:55 am - noon**. Freshman Preview Day is a day where all incoming freshman have the opportunity to go through their schedule, meet their FMP Coaches and Advisor, participate in fun activities, and navigate through the lunch line without the added stress of upperclassmen. Please plan to attend this fun and very beneficial day. Lunch will be served but there is no transportation provided! If you have any questions, please feel free to contact Mrs. Barriger at barrigera@msd19.org.

NCAA:

If you are a graduated senior planning to play a sport at a Division 1 or Division 2 school next year, you can now apply for your amateur status. You need to go onto your NCAA eligibility account to apply for your amateur status. Stop by to see Ms. Frey for an information sheet if you want more specific instructions.

ACT/SAT: If you are wanting to take another SAT or take the ACT, the 2017-2018 schedule is available. The next SAT is November 5th and you must register by October 7th. The next ACT is September 9 and you need to register by August 4th.

Juniors:

This summer is an excellent time to plan college or technical school visits. You will need to call the admissions office at the school(s) you are interested in to make an appointment. Be sure to speak with admissions about talking to teachers and students about your intended major. By early fall of senior year, students will be meeting registration and scholarship application deadlines. Check out the College Center tab on the MHS Counseling Website for more information.

Freshman + Sophomores:

Looking for great summer opportunities in travel, camps, and volunteer work. Arrange to job shadow people who are working in your field of interest. These things are good resume' builders that will help when filling out scholarship applications during your senior year.

Summer Academic Programs:

Freshman, sophomores, and juniors - if you are interested in attending a summer program for academics or leadership, check out the counseling office page on the school website {mhs.ms19.org}.

Scholarships:

Please explore all tabs for scholarship opportunities including 'Scholarship Resources on the Web' link. This link will take you to many scholarship search engines that will allow you to search for nationwide scholarships.

College and Career Planning:

If your student needs help choosing the right career path or college, then ACT Profile {www.actprofile.org} can help! ACT Profile is an interactive site where students are able to take three inventories (*interest, ability, and values*) that lead them to college and career clusters that they are able to further explore and gain relevant information from. The counselors encourage students to utilize their accounts and remember their logins and passwords, as this is the tool that will be used to help all grade-levels plan for their futures. Another great source for exploration of college and career planning is www.collegeboard.org. College Board association is made up of over 6,000 of the world's leading educational institutions and is dedicated to promoting excellence and equity in education. Juniors will need to register for the ACT or the SAT on their own. Information was given to them at their registration meetings including testing dates, timelines, and prices. Juniors will want to take a college entrance exam at least once before their senior year.

SLU 1818 College Credit

If you are a graduated senior who took a dual credit class through SLU's 1818 program, follow these instructions to have your SLU transcript sent to your new college or university.

www.myslu.slu.edu

Log in using your SLUNET ID and Banner ID number (these were given to you by Ms. Frey on an index card when you registered for the class. Feel free to email Ms. Frey if you need your information.

Click on tools, then click on **Banner Self-Service**, then **Click on Student Records**

The final step is to click on **Request a Transcript** then follow all final instructions.
